Fareweel Regality (*Terry Conway)*

V1: And now it's time to say farewell
And though I hope that we may meet again
And all things may be reet again
We've lived and spent the day

But we'll cry farewell Regality
And cry farewell the Liberty
To honest friends' civility
To winter's frost and fire
And there's nowt that I can bid ye
But that peace and love gan with ye
Never mind wherever call the fates
Away from Hexhamshire

V2: And what is time that flies so fleet
But just a bird that flies on merry wings
And lights us down in happy spring
When winter's neet is past
And we'll….

V3: Aye but the curlew sings her sang
Winds her sorrows doon the Rowley Burn
And drear as winds the hunter's horn
The call is all farewell
And we'll….

V4: And as I set the mossy stanes
And do me bits of jobs and gap the dykes
I hear the whisper doon the sykes
Farewell they sigh, farewell
But we'll….

V5: Do I remember? Do I dream?
Did we rightly meet in Viewly Side?
For all this and much more beside
Has got me sore beguiled
And we'll….

INSTRUMENTAL (VERSE & CHORUS)

V6: But on some golden autumn morn
Or when July is hazing Dipton Slopes
By Whitley Mill or Westburnhope
We'll live and spend the day
And we'll….
